RE: Request for Addition of Trout Road Bridge to the LRTP

Dear Tom,

At their September 20, 2007 meeting, the College Township Council directed me to request the Centre County Metropolitan Planning Organization to add the Trout Road Bridge in College Township to the Long Range Transportation Plan.

College Township has programmed for the design engineering necessary to replace this bridge and will be putting out a request for proposal within the next month.

I would appreciate your processing of this request.

Sincerely,

Adam Brumbaugh/Township Manager
