Mr. Daniel D. Klees, Chair
CCMPO Coordinating Committee
c/o Centre Region Planning Agency
2643 Gateway Dr., Suite 4
State College, PA 16801

Dear Mr. Klees:

Thank you so much for taking the time to contact me with the CCMPO Coordinating Committee's concerns about the tolling of Interstate 80. I appreciate the time and effort you have taken to apprise me of its thoughts on this matter.

I opposed and voted against the legislation that called for the installation of tolling gantries across the length of the interstate. I do not believe that this plan is the best solution for our transportation funding, and I will work with my colleagues to find a better one.

Additionally, I introduced legislation that would provide a tax credit to Pennsylvanians who will be using toll roads should Act 44 stand in its current form.

Again, I thank you for contacting me and sharing the views of the Committee. If I can be of any further assistance concerning any other state issue, please do not hesitate to contact me.

Warm Regards,
