Dear Deputy Secretary Ritzman:

Thank you for forwarding a copy of your correspondence to Robert A Crum, Planning Director of the Centre Regional Planning Commission, regarding "spike" funding for Interstate 80 interchanges in Centre County. In addition to the Interstate 80/PA 26 Local Access Interchange project in Marion Township, Centre County has also identified the high speed interchange between I 99 and I 80 as a priority.

I write to support funding for both of these projects. I strongly encourage you to see that this funding is made available for these projects.

Please keep me advised as to how I may be able to assist you with these projects.

Very Truly Yours,

Mike Hanna
