Tom/Sue

I'm unable to go to the meeting in Howard (thanks for the invite.) My wife and I live in the Zion Ridgecrest development and we go to church at 1st Baptist on Jacksonville Rd. Some times we have to wait a long time to cross to go or come back from the church. The Jacksonville Rd, Forest Av and I99 interchange is very dangerous. Penn State football weekends are the worst. There have already been several accidents at this interchange and a lot more close calls. I hope that whatever the plan, that this interchange can be addressed.

Thanks
