Title: Purch. signal equipment

Short Narrative: Purchase and install signal equipment

Long Narrative: This is the 2nd phase of a 3 phase program involving the use of traffic signals along heavily-travelled corridors. Phase 1 hired a consulting firm to collect and analyze traffic data in order to evaluate the efficiency of traffic signal prioritization. If the results show that traffic signal prioritization is a viable option, Phase 2 will fund the purchase/installation of the traffic signals.
